Dear Ryan Johnson,

Thank you for your interest in the ORI fish tagging project.

Your tagging kit consists of a kit bag containing five D- and five
A-Tags with corresponding release cards, a tagging applicator,
applicator cleaning brush, applicator cleaning swabs, ORI Tag flash
stick, tagging sticker, pencil and a tape measure.

The reference number which has been given to you is RJ2685. Below is
your username and password for the website (www.oritag.org.za [1]) where
you can access your profile, see a summary of your tag release and tag
recaptures, the tags you have been issued, as well as add new tag
release and recapture data. Please make sure to watch all the
instructional tagging videos on the flash stick before you start
tagging.

Username: RJ2685
Password: ███████████

The enclosed tags are issued against your reference number, so it would
help if you could refer to it whenever you correspond with us.

Please remember to ask for more tags to be sent to you when you have
emailed, posted, or added in your last tag report card to the website.
Please make sure to contact us at ORI if you have any suggestions or
queries.

Happy tagging.
